### Re: **DBE CERTIFICATION NOTICE**

Dear Mr. Garcia:

The Metropolitan Transportation Authority (MTA), a Certifying Partner in the New York State Unified Certification Program (NYSUCP), is pleased to inform you that your firm meets the eligibility criteria established by the U.S. Department of Transportation Disadvantaged Business Enterprises regulations codified at 49 CFR, Part 26 and has been **CERTIFIED** as a Disadvantaged Business Enterprise (DBE). Your firm is certified as a DBE with the NYSUCP providing the services listed below:

#### **DIGITAL SERVICES IN ARCHITECTURAL VISUALIZATION, 3D RENDERING, INTERACTIVE PANORAMAS - PART TIME, NIGHTS AND WEEKENDS**

Your business is eligible to participate as a DBE on New York State Department of Transportation, Port Authority of New York and New Jersey and Niagara Frontier Transportation Authority federally assisted projects in the identified service areas.

Your firm's certification status with the NYSUCP will remain effective for as long as your firm continues to meet all DBE certification eligibility requirements and the ownership and control of the firm, upon which DBE certification was granted, has not changed. However, you are required to submit, annually, on the anniversary date of this notice, a sworn affidavit affirming that there have been no changes in your firm's economic disadvantaged status, ownership or control. In the event that there are changes, please be advised that you are required to notify the MTA, within 30 days, of any changes in your business' ownership, control and/or operations including address, telephone number, business services and capabilities. Failure to adhere to these requirements may result in the removal of DBE Certification.

Your firm will continue to be included in the NYSUCP Directory <https://nysucp.newnycontracts.com> which will indicate the type of work that your firm has been certified to perform.

Please note that any of the Certifying Partners of the NYSUCP reserve the right to review your firm's certification eligibility prior to your firm's participation on a federally assisted project for their agency or at any time that it is determined that such re-evaluation is warranted.

We are pleased to have you as a continued participant in the NYSUCP and wish you much success.
